Legislation Text

File #: SR 22-0018, **Version:** 1

Resolution establishing the policy of the County of Nevada to facilitate and promote the development, access, and equitable usage of broadband infrastructure throughout all Nevada County to provide residents with critical services, economic opportunities, and higher standard of quality of life, and to encourage and facilitate upgrades to existing broadband infrastructure that ensure public and private sectors have access to sufficient broadband speeds to support consumer demand for new and evolving uses over time.
