Public hearing to discuss the service needs and priorities of Nevada County and to solicit citizen input. The Nevada County Adult and Families Commission, on behalf of the County of Nevada, is in the process of submitting an updated Community Action Plan (CAP) for the 2022/2023 program years. The CAP guides service development and delivery for the next two years, based on community and agency input regarding service needs and gaps in the County. The draft 2022/23 Community Action Plan was prepared utilizing input gathered during two public forums held in both the Western and Eastern portions of the County, as well as with information collected from community surveys completed by members of the low-income community and service providers.
